<p>X-iter</p>

<p>Players can also switch to bonus mode by pressing the X-iter button, where they</p>

<p>can choose five ways to play. 💻 This feature allows players to immediately take action</p>

<p>with 5 different game modes, ranging from a 2x bet with more 💻 than double the chance to</p>

<p>activate the bonus, to a 500x super bonus with a guaranteed Wild Strike feature for</p>

<p>💻 each free drop.</p>

<p>Free Spins</p>

<p>Collected 3 bonus symbols, give 7 free spins. The most</p>

<p>important differences between the base game and 💻 the bonus game are that the total</p>

<p>multiplier is not discounted between drops. If a player receives a Super</p>

<p>bonus 💻 symbol,</p>

<p>the bonus game becomes a super bonus game. In addition, the landing flag</p>

<p>symbols give</p>

<p>additional drops.</p>

<p>Super Bonus Game</p>

<p>Collected 💻 2 bonus symbols and 1 Super Bonus symbol</p>

<p>activate the Super Bonus Game for the player. This game is the 💻

<p>7; same as in the bonus</p>

<p>game, but every time the free spins are triggered, a super wild symbol</p>

<p>appears. The</p>

<p>💻 Super wild symbol randomly replaces the symbols with a wild</p>

<p>multiplier. As before,</p>

<p>additional drops are added when the flag 💻 symbols are dropped</p>

<p>d.</p>

<p>Multiplier Wilds</p>

<p>In</p>

<p>addition to the usual wild symbols, multiplier symbols also appear on</p>

<p>the reels. The</p>

<p>multiplier wild 💻 symbols take turns adding their values to the</p>

<p>winning clusters before</p>

<p>the total multiplier is added. If the wild symbols 💻 with a multiplier</p>

<p>link more than one</p>

<p>winning cluster, they are divided into the corresponding clusters. If</p>

<p>there is more</p>

<p>💻 than one wild symbol with a multiplier in the winning cluster</p>

<p>, they merge into one wild</p>

<p>symbol with a multiplier, 💻 adding their own values ordinary</p>

<p>wild symbols act as if</p>

<p>they had 1x values.</p>

<p>Wild Strike</p>

<p>If a player activates Wild 💻 Strike, he randomly changes</p>
